ABOUT TRANSYLVANIA

Transylvania University is consistently ranked in national publications as one of the top liberal arts colleges in the nation. Transy is listed in U.S. News and World Report’s America’s Best Colleges, Barron’s Best Buys in College Education, The National Review College Guide, and Peterson’s Top Colleges for Science.

Transy awards the bachelor of arts degree in 24 majors, or students can design a major with approval of the academic dean. The natural sciences and mathematics division exemplifies the University’s tradition of academic excellence, stressing sound fundamentals in biology, chemistry, computer science, math, and physics. The division also offers a major in pre-engineering as well as special advising for students planning careers in medicine, veterinary medicine, dentistry, and other health professions.

FUN WITH ACADEMICS AND RECREATION

JUNE 8-13, 2008

FOR STUDENTS ENTERING GRADES 10-12 IN FALL 2008
ABOUT THE CAMP

Transylvania’s Academic Camp will give you an opportunity to sample college life while gaining academic knowledge and learning how to improve your scores on standardized tests. The registration fee is the only cost.

SCHEDULE

Camp begins Sunday night, June 8, and goes through Friday morning, June 13.

Morning and afternoon sessions will explore different academic areas through lectures given by Transylvania faculty and staff members. These will often be the same lectures you might receive as a Transylvania student. For example, you might hear about economics in the morning and religion in the afternoon.

Evening sessions will help prepare you for the ACT and SAT exams. You will receive two evenings of math preparation and two of verbal preparation. This type of class usually costs as much as Transy’s entire Academic Camp.

During some evenings, people with ties to the Appalachian region will give talks designed to challenge you to meet and exceed your goals.

FACILITIES

During camp, you will live in a Transylvania residence hall and eat three meals a day in the dining hall, beginning with breakfast on Monday. You can also use Transy’s library, computing laboratory, and recreational facilities. Internet service will not be available in the dorm rooms.

ELIGIBILITY

To be eligible for this camp, you must be a resident of the Appalachian region, have a grade average of at least a B, and be recommended by two individuals—one of them a teacher or counselor who verifies your grades and confirms that you are interested in and could benefit from the camp’s program.

Enrollment is limited to 25 campers, so apply early. The application deadline is May 1, and confirmations will be sent by May 15. If you are not selected for camp, your deposit will be refunded.
