

# TRANSYLVANIA UNIVERSITY ACADEMIC CAMP

## COLLEGE PREPARATION ■ JUNE 6-11, 2010

FOR STUDENTS ENTERING GRADES 10-12 IN FALL 2010

### ABOUT THE CAMP

Transylvania's Academic Camp will give you an opportunity to sample college life while gaining academic knowledge and learning how to improve your scores on standardized tests.

### SCHEDULE

Camp begins Sunday night, June 6, and concludes at noon Friday, June 11.

Morning and afternoon sessions will explore different academic areas through lectures given by Transylvania faculty and staff members. These will often be the same lectures you might receive as a Transylvania student. For example, you might hear about economics in the morning and religion in the afternoon.

Evening sessions will help prepare you for the ACT and SAT exams. You will receive two evenings of math preparation and two of verbal preparation. This type of class usually costs as much as Transy's entire Academic Camp.

During some evenings, speakers will discuss what college life is like in order to help you meet and exceed your goals.

### INSTRUCTORS

Kenny Moorman, associate professor of computer science, and Mike LeVan, associate professor of mathematics, will serve as instructors. Transy students will supervise the computer labs and will live with the campers in the residence halls.

### FACILITIES

During camp, you will live in a Transylvania residence hall and eat three meals a day in the dining hall, beginning with breakfast on Monday. You can also use Transy's library, computing laboratory, and recreational facilities. Internet services will not be available in the dorm rooms.

### ELIGIBILITY

To be eligible for this camp, you must have a grade average of at least a B, and be recommended by two individuals—one of them a teacher or counselor who verifies your grades and confirms that you are interested in and could benefit from the camp's program.

Students from the Appalachian region are supported by a grant; others will pay \$300 for the experience. Enrollment is limited to 40 students (25 from Appalachia, 15 others). The application deadline is May 1, and confirmations will be sent by May 15. If you are not selected for camp, your deposit will be refunded.

### ABOUT TRANSYLVANIA

Transylvania University is consistently ranked in national publications as one of the top liberal arts colleges in the nation. Transy is listed in *U.S. News and World Report's America's Best Colleges*, *Smart Parents Guide to College*, and *Princeton Review's The Best 371 Colleges*.

Transy awards the bachelor of arts degree in 37 majors, or students can design a major with approval of the academic dean. The natural sciences and mathematics division exemplifies the university's tradition of academic excellence, stressing sound fundamentals in biology, chemistry, computer science, math, and physics. The division also offers a major in pre-engineering as well as special advising for students planning careers in medicine, veterinary medicine, dentistry, and other health professions.
